Allowable Subject Matter

Claims (1-14) are allowed.

The following is an examiner's statement of reasons for allowance:

regarding claims 1 and 8: the prior art of record neither discloses nor suggests the fine position adjustment of the head in a disk drive that based on the second estimator for estimating the displacement of the fine actuator based on the second drive signal to the output of the displacement estimation signal and adding it to the first head position estimation signal with the position error signal of the target position and generates an error signal for the target position and the correction thereof.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to K. Wong whose telephone number is (571) 272-7566.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, D. Hudspeth can be reached on (571) 272-7843. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
